NSX Announcement

Funding Agreement with WOBB Sdn Bhd

Actcelerate International Group Ltd (**AIG** or the **Company**) (NSX:ACT) is pleased to announce that it has entered into a funding arrangement with WOBB Sdn Bhd (**WOBB**). The funding round was arranged by Cradle Fund Sdn Bhd (Cradle), Malaysia's early stage start-up influencer, incorporated under the Ministry of Finance Malaysia (MOF) in 2003 and currently administered by Ministry of Energy, Science, Technology, Environment and Climate Change (MESTECC), with CAC Capital Co. Ltd (CAC), Accord Ventures Inc (Accord Ventures) and AIG investing alongside. The funding, totalling US\$1,300,000, will be made by way of redeemable convertible preference shares (**RCPS**). AIG's portion of the investment is US\$100,000

Commenting on the investment in WOBB, **AIG's Managing Director Cheong Chen Khan** stated: "Historically, employee turnover rate among Gen-Y has been high since in choosing a place to work a majority of this cohort tend to highly value company culture and the working environment. WOBB's positioning is to assist companies to target the right talent through a more personalised method. That is what made us attracted to the idea early on. Further communications with WOBB CEO Derek Toh gave us confidence that WOBB is led by a capable and suitable core team, which would be key to their ability to expand beyond Malaysia. We are excited to be part of WOBB and we strongly believe that WOBB will be able to bring tremendous value to our company."

WOBB's founder and CEO, Derek stated: "Our vision is to be the biggest youth platform in Asia, helping our youth build a strong foundation to life by first helping them find the right job. We are pleased to welcome AIG as our new shareholder and would like to thank you for putting your trust in WOBB and making the investment."

Established in 2015, WOBB is a job listing platform that focuses on a niche but growing market of jobseekers who are post Gen-Y professionals. Through their three years in operation, WOBB has managed to capture more than 270,000 registered jobseekers and 9,200 registered employers. For the 2018 financial year, WOBB generated revenue of RM3.12 million, a 30% increase from FY 2017.
